Standards:

AS 4399:2020 UPF 50+ Rating

Take on the elements with the Insulated Wet Weather Jacket. Engineered with seam-sealed, windproof, and waterproof fabric, it's designed to keep you dry and comfortable no matter the conditions. Quilted polyester insulation through the body and sleeves provides unbeatable warmth, while water-resistant zips with a storm flap offer added weather protection. Featuring a shock cord and barrel locks at the hood and hem, adjustable cuff tabs, and secure chest and side zip pockets, this jacket delivers practical functionality and durability to keep you covered all day long.
