

BLACK  
BREATHABLE  
NYLON

#795

Dark as night, safe as houses. If you need to wear black shoes at work, and you need to be light on your feet, you need a pair of #795s.

- Black breathable nylon upper, anti-static uniform safety jogger—90mm height
- Designed for ultimate lightweight comfort
- Removable PU foam footbed with XRD® Extreme Impact Protection heel insert for greater shock absorption and comfort
- Anti-bacterial, washable and breathable footbed
- XRD® inserted into the forepart of the innersole
- Rubber outsole has a high coefficient of friction for increased grip/slip resistance and durability
  - oil, acid & organic fat resistant
  - heat resistant to 140 °C
- TPU toe guard and heel torsional stabiliser
- Elasticated laces for quick fastening. Standard laces are also included
- Tongue pocket to hide laces and reduce trip hazard potential
- Ergonomically engineered toe spring for reduced wearer fatigue
- Nylon shank—ensures correct step flex point and assists with torsional stability
- Broad fitting 200 joule impact resistant composite toe cap

However, if your feet are exposed to the risk of repetitive impacts, penetration or cutting hazards or electrical hazards, then we recommend that you consider one of our steel safety toe boots as they may be more suited to your needs.
